

PARTNER WITH

BACHSON ACADEMY'S

Intensive English Language Program (IEP)

Bachson Academy delivers a first-rate ESL program to your institution.

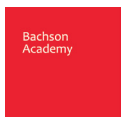

We partner with you to:

- **Build your program from the ground up.**
- **Hire top-quality faculty and staff to run your program.**
- **Develop a pipeline of admissions candidates for your institution.**
- **Recruit a diverse pool of admissions candidates with a wide range of language ability.**
- **Provide the language acquisition support to meet every student's unique needs.**

Bachson Academy's established curriculum ensures student success at English language acquisition.

The mission of the Bachson Academy curriculum is to create, implement, amend and expand a progressive ESL program, in service of students' academic, professional and personal needs, so that successful completion of the highest academic levels will provide students the necessary listening, speaking, reading, writing and testing skills necessary to enter University, perform at a job or to be able to communicate proficiently.
